

# It's Cool to Carpool

The City of Aventura encourages the families of Aventura City of Excellence School and Aventura Waterways K-8 to **carpool** to school this academic year!

## Share A Car

- It reduces the amount of traffic around schools during peak traffic hours including drop-off and pick up times.
- It saves fuel.
- It is energy efficient.
- It makes for a fun trip to school.
- It promotes positive friendships amongst families.
- It is a win, win!
