NE 213th Street Seawall Restoration Improvements

Aventura, Florida ...

The NE 213th Street Seawall Restoration Improvements will begin on December 5, 2016 and is scheduled for completion in November 2017. Improvements will occur to the existing seawall abutting the canal running parallel with Yacht Club Drive. The grass area separating the canal from Yacht Club Drive will be used for staging equipment and materials. Please avoid this area during construction. Traffic lanes will not be affected by this project.

For more information, visit cityofaventura.com or contact the Public Works and Transportation Department at 305-466-8923.
