

HERE IS THE SCOOP

For dog owners

Take a Disposable Scoop as you begin your walk, then deposit in a walkway container

Here's The Scoop!

The City Council of Aventura is requesting that residents comply with the new **Pooper Scooper Ordinance (#97-01)**. The Ordinance requires dog owners to clean up after their dogs on any public or private property not belonging to the dog owner. These areas include, but are not limited to, streets, sidewalks, swales, bike paths and parks.

In order to simplify compliance, the City of Aventura has conveniently located a number of scooper dispensers and sanitary disposal sites around the Country Club Drive area (see map on back page). At the beginning of your walk, we ask that you obtain a free disposable scoop from a dispenser. Use as the need arises, then dispose of it in one of the odor-free sanitary disposal sites.

In addition, the regulation requires dog owners to leash their dogs and keep them under control when in public.

Please be considerate of your neighbors and comply with these regulations. Failure to abide by these laws can result in fines of up to \$100.00.

Although we are all proud of our new City, certain County regulations continue to be enforced within municipalities. Among these regulations is the requirement to have your dog properly licensed. If you are a dog owner, you must obtain a license tag for your dog from Dade County.

You may obtain your dog licenses in any of the following three (3) ways:

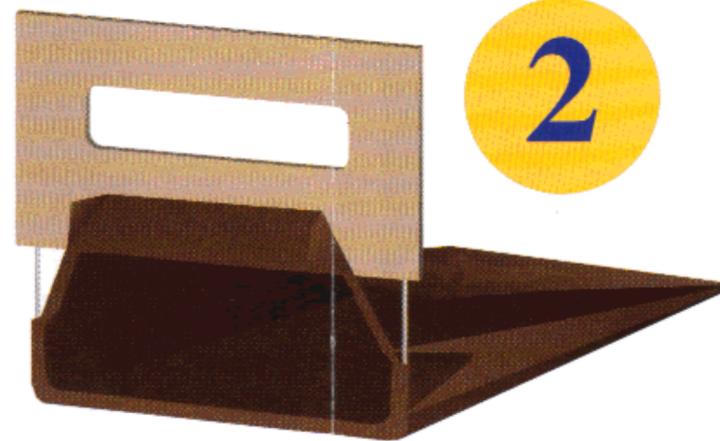

1. **Your veterinarian**
2. **Dade County Public Works Department (Tel: 884-1101)**
Animal Services Division, 7401 Northwest 74th Street, Miami, Florida 33166
Call this County Department to license your dogs or cats (licenses for cats are optional). In addition, this phone number can be used to obtain a variety of animal related services such as adoption and sterilization, or to report any of the following: stray dogs, dead or injured animals, lost or found animals, dangerous dogs or cruelty to animals.
3. **Team METRO (Tel: 947-9858)**
1380 Northeast Miami Gardens Drive, Suite 220, Miami, Florida 33179
Call this County Department to license your dogs or cats (licenses for cats are optional).

Three Easy Steps!

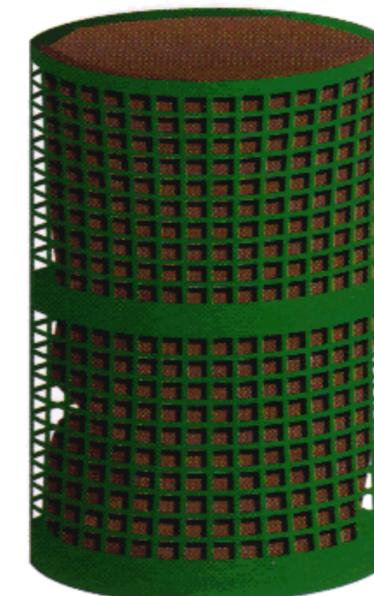

1

Take a Disposable Scoop from one of the convenient locations. (see map)

2

Clean up after your pet.

3

Deposit used scoop in container.
