Aventura Green Market Returns this January with Activities

Aventura, Florida ...

The City of Aventura's Green Market strives to have special activities at every market and returns this January at Founders Park South with face painters, a bounce house, and seed planting.

The Green Market is intended to foster community and support small businesses. A variety of vendors including orchid sellers, fruit and vegetable farmers, and specialty food producers will be selling their goods, while children enjoy recreational play in a bounce house, get their face painted, and take home a newly planted tomato seed in a pot. The market is a perfect gathering place for vendors, children and adults to build a greater sense of community.

The market is scheduled to be held on Sunday, January 8 & 22, 2017 at Founders Park South from 9 AM to 1 PM. Founders Park South is located at 3105 NE 190 Street.

Interested vendors are encouraged to participate and are welcome to contact Colleen Sullivan at Colleen@seastarevent.com and/or at 954-618-9977. Tent space is limited and will be assigned in the order received.
