CITY OF AVENTURA ANNOUNCES THE 2008 **GO GREEN** INITIATIVE PROGRAM

Aventura, Florida ...

How Green Can Your Condo or Business Go?

The City of Aventura proudly presents the first Go Green Initiative Recognition Program and invites all interested residents and businesses who are taking the initiative to preserve our environment to be recognized for their efforts by submitting an application for this program.

These forms will be available in January 2008 on the City's website at www.cityofaventura.com or by calling the Community Services Department at 305-466-8930. Those who submit an application will be recognized at the Arbor Day ceremony which will be held on April 18, 2008.

This Go Green Initiative program is the project of the Aventura Community Services Advisory Board, who will be presenting the awards. This program benefits the city by raising environmental awareness; and recognizing the residents and businesses that are acting now to preserve our environment; save energy; and prepare the City of Aventura to be a sustainable community.

Categories include recycling, energy savings and alternatives, water conservation measures, fuel conservation/alternatives, and more. For more information call the Community Services Department at 305-466-8930 and register for City Speak, an on-line service that allows you to receive e-mail notification about the topics and events that interest you. To register for fast access to City activities, look for the CitySpeak logo at www.cityofaventura.com.
