A Commitment to Community Involvement

The City of Aventura's newsletter represents the City Commission's continued commitment to keep the community updated about important City government issues and services. This newsletter is published on a periodic basis and your comments and suggestions are welcome.

Mission Statement

Our mission is to join with our community to make Aventura a city of the highest quality and a city of excellence. We do this by providing responsive, cost effective and innovative local government services.

City Commission Approves New Budget

Low Tax Rate and Excellent Services Continue

Recently the City Commission adopted the budget for the fiscal year beginning October 1, 2019. The budget adopted the same tax rate as the prior year of 1.7261, which is the lowest municipality rate in Miami-Dade County. This represents the 24th year in a row, since the City's incorporation, with no property tax increase. In addition, no additional debt is proposed. The City's portion of the total property tax bill represents approximately 10% of the total. The other large portions represent the County and School Board. Just as important as it is to keep taxes low, this was accomplished while maintaining the current service levels and programs Aventura residents and businesses currently enjoy.

The budget process produced a total budget of \$61,756,679 or 4.8% less than the previous year. This is a result of the completion of major capital outlay projects in the prior year. Capital Outlay expenditures are budgeted at \$2,557,275 and decreased by \$2,494,572 compared to the prior year. Projects included range from park improvements to road resurfacing and the commitment to invest in state-of-the-art technology to serve and protect our residents. Maintaining our infrastructure from government buildings to our park facilities continues to be a major funding priority to protect these assets well into the future.

Operating costs for all funds increased by \$1,270,761 or 3.4% as compared to the previous year. General Fund operating costs increased by \$1,210,149 or 3.5%. The budget maintains our current level for all City services except the following areas:

- The overtime in the Police Department operational budget has increased by \$30,000 due to an anticipated increase in workload demands covered by this category.
- The actuarial determined City contribution related to the Police Officer's Pension Plan has increased from 17.903% to 21.310% resulting in an increase of approximately \$300,000 in the Police Department operational budget.

- The number of part-time seasonal Park Attendant hours was increased by approximately \$15,000 over the prior year to ensure that adequate coverage is provided during the peak season and to accommodate increased attendance at our park facilities.
- Non-Departmental Transfers has increased by approximately \$227,000 or 8.2% primarily due to the final balloon payment that is due on the Series 2000 Revenue Bond that will be paid on September 30, 2020.
- As of the date of publication of this document, the City and the Dade County Police Benevolent Association have begun their collective bargaining session process to negotiate a new Collective Bargaining Agreement (“CBA”) which will become effective October 1, 2019.

The model of privatizing many service areas of the City’s operations over the years has served the City well and has allowed for a more cost effective service delivery system, as compared to the traditional government structure. Strong fiscal policies and prudent budgeting have enabled the City to maintain the lowest tax rate in the County, while providing high quality services to our residents.

The budget addresses the following priorities and goals that the City Commission has either adopted or supported through policy or initiatives:

Enhance the safety and security of our residents, schools and businesses:

- Continue community outreach initiatives to engage the community in joint problem solving and crime prevention techniques.
- In FY 2018/19, one (1) new School Resource Officer was added for the opening of the new Don Soffer Aventura High School in August 2019
- Improve communications with the community by expanding social media and community policing efforts by the Police Department
- Increase overtime costs to meet the demands of police service requirements and community safety.

Provide and support quality educational choices for Aventura students to succeed academically and become productive citizens:

- Continue to operate Aventura City of Excellence School K-8 as an “A” rated high performing school and provide support services through various City departments.
- Continue to take the necessary steps to ensure the successful opening of the Don Soffer Aventura High School in August 2019 including the funding of the upfront operating and capital construction costs.

Maintain efficient and responsive government which embraces the highest standards of service and financial stability:

- For the 24th year in a row no increase in the tax rate is recommended.
- Continue to focus on maintaining and protecting the City’s infrastructure by funding capital outlay projects from park improvements to road resurfacing expenditures in the amount of \$2,998,275.
- Maintain healthy reserves that protect the City’s ability to provide quality services no matter the economic times and address unforeseen emergencies.
- Continue the model of privatizing many service areas of the City’s operations while maintaining a small workforce which has allowed for a more cost effective service delivery system, as compared to the traditional government structure.
- Continue to utilize technology to improve productivity and expand E-government applications.

Continue to explore alternate transportation modes to alleviate traffic and support bicycle friendly initiatives:

- Continue to fund the free Aventura Express Shuttle Bus system that serves almost 26,000 riders a month and extend service to new developments.
- Continue to implement recommendations included in the Unified Master Plan for Pedestrian and Bicycle Connectivity.
- Maintain the Aventura BCycle bike share program.
- Continue to collaborate with state, county and local officials to address possible solutions to traffic issues.

Community Engagement, Parks, Programs and Special Events:

- Increase part-time seasonal Park Attendant hours in order to provide adequate coverage in the peak season and accommodate increased attendance at our park facilities.
- Continue the afterschool program at the Community Recreation Center for Aventura students that attend Aventura Waterways K-8.
- Continue youth travel soccer and basketball leagues that were established to respond to the increased demand for these services in the community. The cost will be offset by fees charged for this service.

- Continue the “Community Ride with the Police Department” Special Events which provide opportunities for the residents to interact with the Police.
- Maintain funding to support a wide variety of programming for all age groups at the Aventura Arts & Cultural Center.
- Continue to fund Family Movie Nights at Founders Park.
- Provide adequate funding to maintain our parks and recreational facilities at a high level.
- Continue to employ the use of the Youth Advisory Board.

Environmental Sustainability and Go Green Initiatives

- Maintain Tree City USA status.
- Continue to improve the energy efficiency of all City facilities including the replacement of worn air conditioning systems.
- Ensure that redevelopment projects that require land use/zoning revisions do not have a negative impact on the community.
- Includes funding to continue to retrofit street lighting throughout the City with more energy efficient LED fixtures.
- Monitor and participate in regional efforts to address the impact of rising sea level and the long-range impacts of climate change.
- Implement strategies and recommendations included in the City’s Comprehensive Stormwater Management Plan to address drainage infrastructure improvements and long range impacts of climate change.
- Continue the “Go Green Award Program” sponsored by the Community Services Advisory Board to recognize condominiums and businesses that have made efforts to reduce energy consumption and implement recycling programs.
- Provide adequate funding to maintain our signature landscape, streets, rights-of-way and facilities.
- Maintain the silver level certification recognition by the Florida Green Local Government Program.

Hurricane Dorian Relief

Supporting the Bahamas in the Wake of the Hurricane

After Hurricane Dorian struck the Bahamas with devastating winds, heavy rain, and extensive damage, the community came together to donate and collect much needed supplies for the victims.

In partnership with the Aventura Marketing Council and numerous volunteers including students from the Aventura City of Excellence School, the City of Aventura collected much needed supplies for the victims of Hurricane Dorian. From crates full of water, canned goods, baby supplies, and clothes, the Aventura community filled the City's Government Center lobby to capacity with an outpour of generosity.

Although the City's Government Center is no longer a collection site for supplies, the people of the Bahamas still need support. Continue to help by visiting the Bahamas Relief website at bahamas.com/relief and make a monetary contribution to any of their trusted partners.

On behalf of the City, thank you to all.

West Country Club Drive Curb Improvements

Improving Drainage Runoff During Heavy Rain

The City of Aventura Public Works/Transportation Department began roadway curb improvements over the summer, and the project is complete on the northbound side of West Country Club Drive between the William Lehman Causeway and NE 199 Street. Construction has started on the south bound side from NE 199th Street going south to Lehman Causeway with completion expected in October.

During heavy rain fall periods, water runoff flows into the grass area along the Don Soffer Exercise Trail. The new curb improvements will control the flow of water runoff and drain water away before the roadways and exercise trail become flooded.

Reference Guide

When an active shooter is in your vicinity, you must be prepared both mentally and physically to deal with the situation. Pick up a copy of the Aventura Police Department's Active Shooter Event Quick Reference Guide at the Aventura Government Center! For questions and more information, please contact the Aventura Police Department at 305-466-8989.

1

Run

- Have an escape route and plan.
- Leave your belongings behind
- Evacuate regardless of whether others agree to follow.
- Help others escape, if possible
- Do not attempt to move the wounded.
- Prevent others from entering an area where the active shooter may be.
- Keep your hands visible!
- Call 911 when you are safe.

2

Hide

- Hide in an area out of the shooter's view.
- Lock door or block entry to your hiding place putting as many barriers between you and the shooter.
- Silence your cell phone (including vibrate mode) and remain quiet.

3

Fight

- Fight as a last resort and only when your life is in imminent danger.
- Attempt to incapacitate the shooter.
- Act with as much physical aggression as possible.
- Improvise weapons or throw items at the active shooter (i.e. fire extinguisher, flag pole, staplers, etc.).
- Commit to your actions... your life depends on it!

Remain Safe in a Crowd

- Stay on the edges. If caught in the middle, zig-zag your way to the outside.
- If caught in a crush, keep your hands to your chest and take a boxer's stance.
- Stay on your feet & move in the direction of least resistance.
- Ensure you nor anyone falls down.

Arts & Culture

The Aventura Arts & Cultural Center 2019-20 Season

An Exciting New Season is Underway

The Aventura Arts & Cultural Center's 2019-20 Season is one of its most eclectic and robust arts and entertainment schedules to date with almost 100 unique performances! Each presentation was thoughtfully curated to provide a culturally relevant, entertaining and educational experience for theatergoers of all ages. Audiences will delight in the gorgeous 330-seat waterfront complex which is conveniently located in the heart of the City of Aventura.

Fall & Winter Highlights

An iconic singer-songwriter gets a brand-new sound in **Carole's Kings**, the world's first all-male Carole King tribute with two performances on **November 23**. With lush orchestrations, witty banter, a seven-piece band and a cast of three incredibly talented New York stage veterans, one of whom plays live piano throughout the show, Carole's Kings is a dynamic and jam-packed performance with chart-topping sensations such as "The Locomotion," "I Feel the Earth Move," "You've Got A Friend," and many more.

Aventura Arts & Cultural Center's 2020 Broadway Concert Series brings musical theater's brightest stars to Aventura. Enjoy one show or subscribe to the full concert series to lock in seats and savings.

Gavin Creel kicks-off the Broadway Concert Series on **January 5**. Creel won the 2017 Tony Award®, Drama Desk Award and Outer Critics Circle

Award for his performance as Cornelius Hackl in *Hello, Dolly!* starring Bette Midler and David Hyde Pierce and is also a Tony Award nominee for *Thoroughly Modern Millie* and *Hair*. Other Broadway credits include *La Cage Aux Folles*, *She Loves Me*, *The Book of Mormon* and *Waitress*.

Winner of the Tony Award®, Drama Desk Award and Outer Critics Circle Award Winner for *The Life* and the Tony Award nominee for *Fela!*, **Lillias White** performs on **February 9**. Her Broadway credits include *Cats*, *Carrie*, *Dreamgirls*, *Once On This Island*, *How to Succeed In Business Without Really Trying* and *Chicago*.

Legendary, multi-award winning actress and singer **Betty Buckley** takes the stage on **February 19**. Buckley's global career spans theater, film, television and concert halls. Buckley won a Tony Award® originating the role of Grizabella in *Cats* and earned a Tony nomination for *Triumph of Love*. She just concluded headlining the national tour of the new Broadway production of *Hello, Dolly!*

Broadway Concert Series: Betty Buckley, Gavin Creel, Lillias White

Arts & Culture

Black Box Productions delivers a season full of A-list comedians and laughs with **The Stand-Up Comedy Series** featuring Bobby Slayton, Judy Gold, Vic DiBitetto, Rich Aronovitch, Tammy Pescatelli, Lynne Koplitz and Andrew Dice Clay.

A Sampling of Highlights

The magical artistry of Cirque du Soleil meets the flirtatious camp of Moulin Rouge to create sheer magic known as **Cirquesco** on **January 18**. Featuring seductive dances and incredible acrobatics that test the limits of the human body, the production is set to an electrifying soundtrack.

Enjoy a special Valentine's Day performance with **America's Sweethearts** on **February 14**. This fresh and vibrant show is performed to the swinging sounds of female close-harmony groups.

Disorderly duo Scott and Joan Houghton and their hilarious pack of pooches created a comedy dog thrill show unlike any other with **Mutts Gone Nuts**. Enjoy two performances on **February 15** and expect the unexpected in this top-notch presentation that includes incredible high flying Frisbee dogs, tight-wire dogs, dancing dogs, magic dogs and Sammie the talking dog!

The **Aventura International Film Series** will screen eight films from France, Israel, Morocco, Colombia, Germany and Iceland. Hosted by Shelly Isaacs, the series features the very best in foreign language cinema.

The **City of Aventura and Nova Southeastern University's 2019-20 Speaker Series**, which is presented in cooperation with the NSU Lifelong Learning Institute, features four challenging and intellectual lectures.

The **Miami International Piano Festival, Arts Ballet Theatre of Florida**, and the **Broward Center 2019-2020 Family Fun Series** will once again present a full season of spectacular performances at the Aventura Arts & Cultural Center.

Education

Aventura City of Excellence School

A New Chapter for ACES

Mr. Anthony Tyrkala became the new ACES principal at the start of the 2019-20 academic year. Mr. Tyrkala has been an integral part of the ACES family for a seven years and has held a variety of successful roles during his tenure. He has been a Civics Teacher, Dean of Students, Assistant Principal, and most notably was ACES's Teacher of the Year for the 2014-15 academic school year. Wishing Mr. Tyrkala the best of luck on his new role leading ACES into a future of excellence.

Mindset Matters, A Growth Mindset

Aventura City of Excellence School (ACES) has always set a theme for the year that guides and motivates students, teachers, and staff to learn and grow. This year's theme is Mindset Matters and focuses on growth mindset which according to 5th grader, Zarah G. "means to have an open mind to be able to learn new things and to not be closed off from trying new things." Principal Tyrkala has led the focus on mindset by including growth and benefit mindset, grit, mindfulness, gratitude, and empathy as part of the ACES mission to educate the "whole child."

Spreading the Mindset

Teachers and staff receive a Monday Mindset Matters newsletter as well as professional development on mindfulness and growth mindset. Mindset Matters reaches beyond the campus to all ACES families through email blasts and social media posts on ACES' Instagram and Facebook accounts.

What does Mindset Matters mean to the ACES community?

ACES students shared their insights about what Mindset Matters means to them. Dylan H., 6th grade, said it is like "a time for growing, changing and becoming better. Failing and getting better [like a] phoenix from the ashes." Mr. Cavagnero, middle school mathematics teacher, shared that mindset "means that the way you look or you feel about what's happening around you may turn out to be a reality", and he knows "if students believe they are capable of understanding and succeeding in math, that is what may turn out to be true." ACES students exemplify growth mindset as Ruben J., 7th grade, is setting his goals so that "this year, I am not giving up until I get where I want to be." Likewise, Naomi L., 8th grader understands her role as a potential leader and decided that she has "the mindset to help anyone who needs it."

The ACES Eagles family strives to share their growth mindset to help ACES students become happy and healthy citizens.

Don Soffer Aventura High School

New High School Paves Way for Students' Success

Aventura's newly opened high school, Don Soffer Aventura High School (DSAHS), welcomed its inaugural class of 2023 this fall. The class consisting of 208 9th grade students will shape the traditions of Aventura's first high school, which grew from a decade-old impetus from city residents alongside the support and authorization of the Mayor and City Commissioners.

DSAHS is an Advanced International Center of Education offering courses that utilize iPads to enhance education in the classroom and, in some cases, discard the need for books. All incoming students were issued new iPads, allowing them to produce 21st century work. This is an international curriculum and examination system that emphasizes the value of broad and balanced study. Alongside in-depth understanding of a variety of subjects, students also need to master a broader range of skills critical for success in university study and employment. Advanced courses will eventually let students obtain two degrees besides the Miami-Dade County Public School diploma and will include intense core classwork plus electives in Spanish, art, dance and sports. Administrators hope that setting students on a challenging path to academic success will widen their experiences in their chosen fields of study.

It takes many people to build a high school and teachers and administrators are confident about the future of DSAHS. On opening day, the school hit the ground running! Mr. Josh Acosta, who teaches Financial Algebra, Algebra 1 and Advanced Thinking Skills, said he "looks forward to seeing the school grow." He noted how welcoming the community of both students and their families were, adding that it is "exciting" to be part of a community where so many incoming students have connected and made friends rather quickly. Spanish instructor Ms. Ines Hernandez also had a positive beginning. "It has been amazing," Hernandez said. "For a new high school, everything was prepared and ready, which allowed all the teachers and students to have a smooth first month".

A high school changes a community for the better. The community came together for the future of the children, which is what makes Aventura so deserving of a high school.

Thank you to the City of Aventura Mayor and the Commissioners for their support!
