

# Construction Advisory

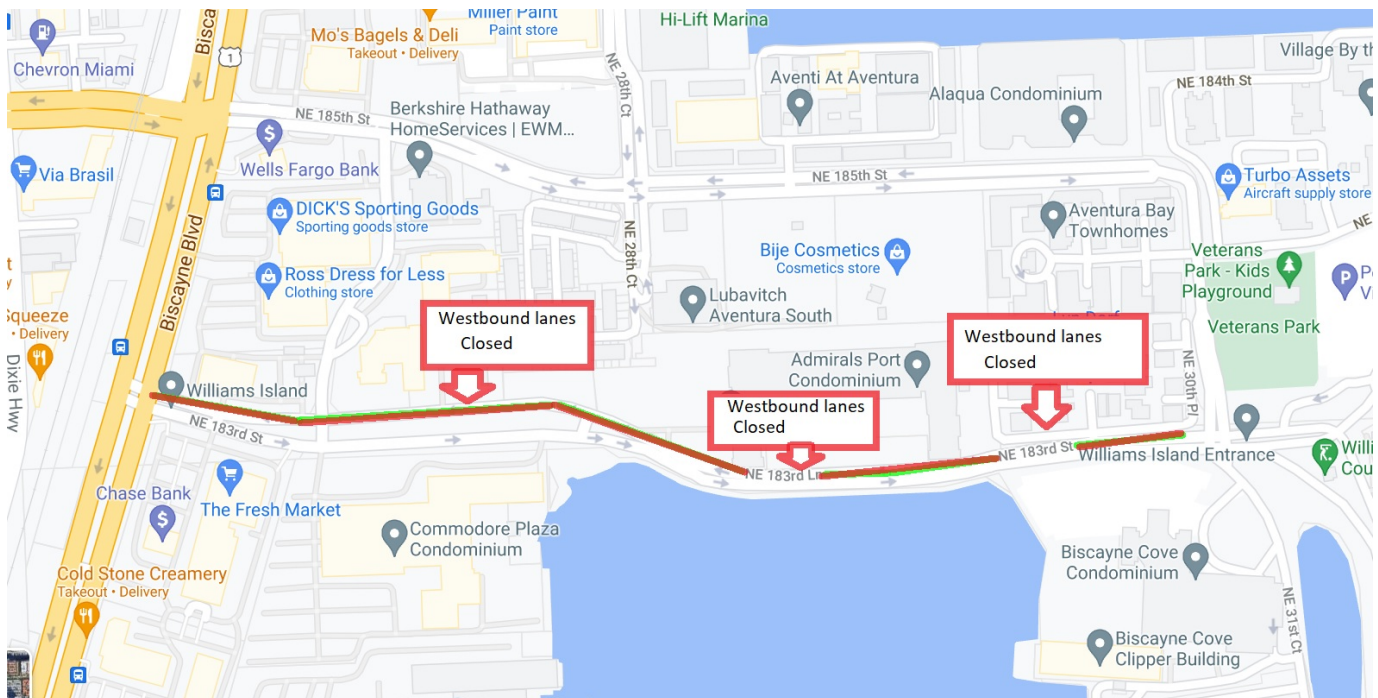

The Miami-Dade Water and Sewer Department continues its upgrades to the sewer system along Island Blvd - NE 183 Street. Beginning Monday, April 26 2021, westbound lanes between Biscayne Blvd. and NE 31st Ave. will be closed until further notice. Vehicles will be redirected and detoured north along NE 31st Ave.

## Hours of Construction:

**Monday-Friday, 7:00 a.m. - 6:00 p.m., Saturday, 8:00 a.m. - 4:00 p.m.**

The contractor will take all the necessary steps to minimize impacts and to maintain access in and out of the abutting properties.

Final road restoration (milling and resurfacing) will take place at the end of the project.

If you have any questions, please contact the Public Involvement Representative, Bernardo Favole at (305) 542-4000
